A Feudin' and a Fussin'

A feudin' a fussin' and a fightin'
Sometimes it gets to be excitin'
We don't like them ornery neighbors down by the creek
We'll be plumb out of neighbors next week.

Grandma, poor old Grandma, Why'd they have to shoot poor old Grandma?
She lies 'neath the clover — someone caught her bendin' over
Pickin' up a daisy.

"But there's nothing half so sweet in life
As love's young dream."

—Moore.

Ar Senyer Y'ar

Thet summer vacation shore went fast! Yep, it's September already and time to git back to book-larnin' agin.

Them thar "frosh" shore have a rough time, what with gittin lost in the halls and bein', 'nitiated with the "water treatment."

It takes a coupla weeks fer the teacher to git command of the class and then we settle down to collectin' blue slips, U's and concoctin' excuses fer bein' late t' class.

Them loud mouthed hoodlums of this here institushun begin daily trips to Mr. B's office and keep insistin' "we hain't done anything, Mr. Principal."

Football (for rugged guys only!) is going strong by October.

And thet magazine campaign! It gits folks a wonderin' when they'll read all those new subscriptions they suddenly have took.

'Fore too long it's Christmas with the choir singin' the "Messiah" and then no school for ten whole days. Yipee!

Then — bang! We're back in school agin! Accordin' to official reports we warn't supposed to have 'xams, but it's jest as bad as before.

At the beginnin' of the new semester the senyers have meetin's with Mr. Starr and find out to their disgust they'll have to git a heap more book-larnin' if they wants thet diploma in May. Gosh! Thet means more books. (Have to run off some more greenbacks tonite!)

February means singin' valentines and *pulenty* of blackmail!

Everybody was purty happy 'bout the basketball tourney plan — no feudin' for tickets.

Then we have the fussin' and fightin' between senyer and sophomore gals over the "precious" senyer boys. (Yep!)

'Round about the end of March the juniors realized that the prom shindig ain't fer away and the senyers are fussin' about who's goin' to make music for the square dances.

Goshen Relays is open to anyone who's been eatin' their "Crunchies" right along.

Senyer Sneek (in name only), the prom, class day, and finally graduation closes another year at G. H. S.

—Sue Mc.

Theme

"Feudin' and a Fightin'!" Shucks! We cain't help it iffen we're a lettle wild now and then. Folks just don't rightly understand us, I guess!

Tak' for instance t'other day now. Maw asked me for a chicken and we'ans ain't got none that are fat enough for eaten so I says to Maw, I says:—

"Maw, the McCoy's iz got some right nice chicks, so why not borrow one of theirs? See dis here hole in my britches? Dats' wat happened!"

For four long years people has been treatin' us mighty awful. We ain't a going to stand it much longer. Folk'ses just don't understand us better "class" of folkses.

Feudin' and a Fightin'! Fiddle-dee-dee . . . . .!!!

Miss Eva J. Graham and Mr. Robert B. Mathews.

To Our Sponsors

The members of the Class of '48 wish to express their appreciation to Miss Graham for capably taking over the sponsorship of our class during our senior year. The class takes this opportunity to thank Miss Brooks and Miss Peckinpaugh who also served as sponsors.

To Mr. Mathews, the graduating class extends sincere thanks for his able leadership and guidance during the past two difficult years. The class of '48 also wishes to thank Mr. Needham and Mr. Sabin for their assistance during the first two years.

Famous Last Words

I wouldn't know. That was before my time.

* * *

O, these tires are good for another thousand miles.

* * *

No, thanks, just looking around.

* * *

But I *know* how to swim.

* * *

O, were you sitting here?

* * *

I have forgotten more than you'll ever know.

* * *

I'LL SEE *YOU* AFTER SCHOOL.

Dusting Off Some Old Ones

A lot of kids wish their teachers wouldn't pay so much attention to signs, especially the one on the highway which says, "School, no passing."

* * *

PET PEEVES

The length of time it takes me to think up a sudden thought.

* * *

And they don't even know how to spell "finally."

* * *

The screamingly funny things which happen on a radio program but which never are explained to the listening audience.

* * *

Silly questions when I'm trying to be efficient.

* * *

Among the things that knock me flat
Are questions like, "Where is it at?"

* * *

Stories that quit but do not end.

After-Glow

Sometime, long after the sun has gone,
As we watch at the close of day,
The sky is bright with a rosy light,
'Mid the evening shadows gray.

Long after a beautiful life has gone
To that fairer world on high,
Our lives are bright with its lingering light,
For a true life cannot die.

Seniors whose Pictures do not Appear.

Two others have fulfilled the standards for graduation with the class of 1948:

Ray Spicher enrolled with the regular members of the graduating class, attended classes, and participated in class study, discussion, and examinations.

Levi E. Bontrager fulfilled the standards for graduation by home study, self preparation, and equivalency examinations.

The Class of 1950

The Sophomore class has been on its toes this year. It has been well represented in a great many clubs and organizations.

Leading the class in scholarship are Barbara Bassett, Nancy McCloughen, Jane Schwalm, Sara Stookey, and Jack Wetzel.

Students from this class have made a good showing in sports. Outstanding in basketball are Stan Lewallen, Jack Rankin, Dan Oswald, Herb Tilley, Bob Ronk, Bob Burt, Paul Chrisman, and Marvin Mann. The football letterman was Stan Lewallen, but many reported for the practice.

Herbert Tilley received a letter in tennis, and John Long received a letter in Cross Country.

The Class of 1951

The Class of 1951

Although the Freshman class was just recently organized, it has participated in many clubs and activities.

Beverly Brown, Eugene Cooper, Mary Louise Gorsuch, Jerry Miller, and Mary Elizabeth Shannahan led the class scholastically.

About twenty-three boys reported for football practice in the fall. Vigorous workouts were maintained by Coach "Beets" Hoke. Thirty boys turned out for basketball, also under the supervision of Coach Hoke.

Many students from the Freshman class are also active in the orchestra, choir, glee club, and the concert or marching band.

It would be difficult to imagine football or basketball games without the band. Attired in crimson and white military-like uniforms, our band appears at every home game. At halftime it entertains the fans with a performance consisting of marching and unique formations along with appropriate music. During basketball season the band divides into the Crimson and White bands, which alternate in playing at home games.

This year the band was composed of approximately sixty-seven musicians, three of whom performed, also, as a drum major and baton twirlers. In February several soloists and ensembles won honors in the state music contest. On April 2, the band appeared in the all-musical-organizations' concert, sponsored annually by the Music Parents' Club.

The band was frequently called upon to assist in pep sessions, parades, and other community programs. Mr. Brinklow deserves praise for the fine work he accomplishes as director of the band. He was assisted this year by a new faculty member, Mr. Erwin.

We are one of very few high schools in Indiana to have an orchestra.

This year the forty-piece orchestra had two full rehearsals a week. At other times the strings rehearsed with Mr. Erwin, while the brass, woodwinds, and percussion practiced with Mr. Brinklow.

The orchestra participated in the annual spring concert along with band and choir. It also supplied the music for the junior and senior class plays.

Several members of the organization took part in the solo and ensemble contest, February 21; and several played in the South Bend Clinic during Teachers' Association. A string quartet composed of David Schneider, Charlotte Burkhart, Alice Bender, and Judy King performed as accompanists for the annual rendition of the "Messiah."

The entire orchestra has worked hard in accomplishing the "goal" set before them by the director. Each member has achieved a richer and fuller understanding of an art that can be enjoyed throughout life.

You don't have to be a "Frank Sinatra" or a "Lily Pons" to qualify for the choir. However, being able to carry a tune as well as reading music is a "must."

This year the choir was made-up of sixty-four mixed voices. The outstanding event of the year was the presentation of Handel's "Messiah."

At Thanksgiving time the choir sang a few numbers for the assembly program. In the annual spring concert it rendered a variety of songs including "Gallia."

The smallest musical organization in our school is the Girls' Glee Club; yet, despite its size, it is a very enthusiastic group who are interested in vocal music.

At Christmas time the Girls' Glee Club sang the traditional carols in the corridors. The sound of their melodious voices echoing through the entire school was most inspiring and thoroughly appreciated.

The "nucleus" of the Sunshine Society is known as the Sunshine Honor Group. To qualify for membership in the organization a required number of points must be earned. These points are earned in various ways, such as: selling waste paper and grease, working for teachers, bringing in old clothing, selling holly wreaths, attending church, and various other ways, too numerous to mention.

All the activities and projects which the Sunshine Society does are planned by girls in this group. This year they made plans for the holly wreath sale, initiation, "Big and Little Sister Plan," and numerous other items which were undertaken by the society.

The Honor Group holds its meetings during the noon hour. As the girls eat their lunches together they make important plans for the Sunshine Society to consider at their regular meetings.

This year our local Sunshine Society, which promotes happiness, good cheer, and higher ideals, had a membership of over two-hundred girls. Sunshine, which is a state and national society, is recognized as being one of the finest organizations for high-school girls.

The activities of the society were many in number and great in importance. At the beginning of the year new members were initiated at a beautiful and impressive service.

During the year the Sunshine girls carried-out the plan of "Big and Little Sisters." Each member had a special friend for whom she did nice things, secretly. At a party held in the spring the "sisters" were revealed.

Around Christmas time the annual holly-wreath sale was sponsored with individual sales reaching an all-time high. Baskets of food and clothing were sent as gifts to poor families. The girls erected a pretty Christmas scene on the balcony above the front entrance of the school building.

Several projects were completed by the S. S. S. At Thanksgiving an assembly program was sponsored. Toward the latter part of the year the girls donated money to be given to the Riley Hospital Fund.

To sum up everything about the Sunshine Society the creed is best suited. "With love in my heart, forgetting self, and with charity for all, I will make the object of my life helpfulness and kindness to others. I shall try to fit myself with intelligent service in making my community a safer and more beautiful place in which to live. Thus will my own life become rich and complete."

The chemistry and science clubs combined this year, and the result was a "bigger and better" organization than ever. This group was called the "Science Club", and was comprised of nearly one hundred fifty students who were interested in the field of science.

Under the capable co-sponsorship of Mr. Beck and Mr. Needham, the club met regularly the second and fourth Tuesday night of each month.

Meetings consisted primarily of two parts, business and entertainment. Included in entertainment were games, refreshments, and programs. These programs proved educational as well as entertaining. The more serious type of programs consisted of lectures and demonstrations, given by speakers and advanced science students who performed interesting laboratory experiments.

As a special project the Science Club sponsored several auditorium programs which were intended to further interest in the science department.

Scientific tours were made through various local plants and industries. Towards the latter part of the school year, the members made a trip to Greenfield Village near Detroit, Michigan.

On the third Friday of each month 650 students and faculty members eagerly await the free distribution of our school newspaper, the Tomahawk. Worthwhile and enjoyable reading is found in the ten pages of feature articles, literary columns, humor writings, club news, and advertisements.

Tomahawk staff members are chosen because they show a special talent or interest in the field of journalism. This year twenty-six new members were initiated, making an unusually large staff of twenty-four seniors and eleven juniors.

Contrary to common belief, the Scribblers' Club was not founded with the purpose of finding the most legible penmanship in Goshen High School; but to encourage and assist those with literary ability.

The constitution of the organization calls for meetings once a month at which time members submit manuscripts to be read. This constructive criticism, given to the writers of these manuscripts, is for the purpose of helping the members attain a better quality of writing.

Thirteen new members were accepted into Scribblers' this year. Those students whose pictures do not appear are: Alice Stemen, Marjalie Swihart, Mary Ann Stemen, Barbara Riffe, Doug Weaver, Sara Stookey, Harold Miller, Beverly Brown, Roger Stemen, George Vlassis, Richard Sage, Barbara Bassett, Arleta Miller, and Martha Kercher.

The Senior HI-Y

The Senior Hi-Y is comprised of junior and senior boys interested in "creating, maintaining, and extending throughout the school and community the high standards of Christian character."

In November and January, formal initiations were conducted for new members. This year the club was twenty-one in number.

The organization took part in various activities throughout the year. At Christmas time the boys and their guests enjoyed a party which included caroling. As a school project, it undertook decorating for the "Messiah" concert presented during the holiday season. A swimming party was held at the Elkhart Y. M. C. A. Two banquets were given; one for the members only, and the other was a father and son affair.

Representatives from the club attended the State Older Boys' Conference at Indianapolis for two days. All officers went to the Officers' Conference held at Indianapolis in the spring.

The Hi-Y Executive Council, which is made up of officers and award winners, met with the sponsor, Mr. Schenck, on Tuesday noons to plan ahead and settle unfinished business.

The Junior Hi-Y Club is made up of freshman and sophomore boys. The initiation ceremonies were held in November and officers were elected at the following meeting.

The Hi-Y stands for clean manner, speech, study, and service and a worthwhile life for school and community. Each member tries to fit himself to live such a life.

Several delegates were sent to conferences held at Elkhart and Indianapolis. The club donated one-hundred dollars to the State Y. M. C. A. for the World Fellowship Fund to rebuild war-torn countries.

During the year the Junior Hi-Y met with the senior club and participated in their activities.

The purpose of the Pan-American Club is to familiarize its members with the Latin American countries and to promote a better understanding between the Americas. This year the forty-six members of the club were led by a new and capable sponsor, Mrs. Buckwalter. They chose as their motto *"Siemper delante de otros"* meaning "Always before others."

To become a member of the Pan-American Club the student must be enrolled in a Spanish class or have studied the language at sometime during his high school career. In order to retain membership, it is necessary to attend at least four meetings during a semester.

At meetings held throughout the year entertainment included speakers who had visited various Latin American countries. Parties, where Spanish became the language for the evening, were enjoyed by the group.

The most outstanding project completed by the membership this year was the presentation of an assembly program on Pan-American Day. This entertaining performance cleverly illustrated Latin American ideals and customs.

This club was first organized in Goshen High School in 1934, and was formerly known as the Home Economics Club. However, upon its affiliation with the state and national organization in December of 1945, the group adopted the official name, "The Future Homemakers of America."

Membership in this club is open to all girls who are or have been enrolled in a home economics class in high school. The total membership of the organization this year was seventy-five girls.

The purpose of the F. H. A. is to promote the appreciation of the joys and satisfaction in homemaking and to work toward a better home and family life. The motto, "Toward New Horizons" best expresses this purpose.

One of the high-lights of the year was sponsoring a style show for a popular pattern company.

The Health Council

The Health Council, organized to promote better health habits throughout the school, has continued its contributions to the health room and school building, in general.

Every September, three freshmen girls are traditionally chosen for the Council. This year Pat Whittle, Jane Mills, and Jane Tilley were selected as new members.

The Health Council sponsored the Red Cross drive here at school, sold material for the United Relief Fund, and as their most outstanding project played "cupid" for the "Singing Valentine" sale on February 13.

To climax the year's activities, the senior members were honored at a dinner given by the freshmen girls.

The local chapter of the National Honor Society, under the supervision of Mr. Starr, is open to junior and senior students who are eligible scholastically. Membership to the society, a purely honorary organization, is based on scholarship primarily, with leadership, service, and character considered.

The National Honor Society is a nation-wide organization for the purpose of encouraging scholarships. Members of this society proudly wear the national emblem, a small gold shield with a flaming torch.

The group, which is composed of five per cent of the junior class and fifteen per cent of the senior class, had a picnic in the spring.

The Auto Mechanics

The Auto Mechanics Department has been a part of the school curriculum for twenty-five years. When it was first organized, there was some doubt as to the success of the department. During the ensuing years it truly proved its worth, and now Auto Mechanics is considered one of the most important and beneficial courses offered.

The class, under the capable instruction of Mr. Kintigh, is comprised of carefully selected senior boys. There is a great demand for boys to work in shops doing mechanical repairs; and the department has never been able to fill all these demands. After completing the course, the students are not full-fledged mechanics; but they have acquired a foundation upon which to build a successful trade.

"Pop and his boys," as they are often called, are one of the most popular groups among the students and faculty.

New equipment has been installed in the department recently, and it is considered one of the best auto mechanics departments in the state.

The Latin Club or *Circulus Intimus* is made up of a group of 84 students. These members have taken Latin I-II or Caesar. The purpose of this club is to acquaint those interested in Latin with the customs and language of the Romans.

The club's projects through the school year consisted of donating books concerning Latin to the library, sponsoring an annual pie sale, giving a Roman banquet, and supporting such benefits as the Red Cross. One of the outstanding events of the year was the program given at the Junior High School. This program was of special interest to those coming into high school next year. It pointed out some of the high lights of all Latin language, its use and the activities pertaining to Latin.

The meetings were held every three weeks. At some of these meetings skits were presented by club members portraying the life of the Romans. At other times we were entertained by outside speakers. The social events of the year were high-lighted by a gala Christmas party.

Christmas carols were sung in Latin. A Doctor I. Q. Quiz proved to be very entertaining and after refreshments were served, Santa Claus passed out gifts to all.

The purpose of the Student Council is to represent the students, sustain the high standards of the school, cultivate academic interest, promote school loyalty, and encourage cooperation among all elements.

The Council is composed of five elected members from each class and the class president. The term of office for all representatives is one semester.

The officers consist of a president, vice president, secretary, and treasurer. The president is elected in the previous semester and is not classed as a representative during his term of office.

The Council meets once every two weeks on school time discussing matters of benefit to the students. The sponsor sits in on these meetings and gives suggestions.

Permanent committees appointed by the president are: Citizenship, Scholarship, Sportsmanship, Maintenance, Program, and Publicity.

The group's main project for the year was to support the suggested pupil responsibilities that the Council and faculty discussed thoroughly. These were compiled into eight statements and presented before the student body who gave their approval.

Another project for the year was sponsoring the concessions for the Goshen Relays.

The Varsity

Football for 1947

Redskins Drop Opener

A wet and muddy field was the scene of the Goshen Redskins' first defeat. Fort Wayne Central was led by their negro star, Johnny Bright, who scored three touchdowns, to defeat Goshen 32 to 12. Brown and LaRue tallied for the Redskins. Doug Weaver and Ned Lantz played outstanding on defense.

Redskins Scalp Indians

Playing before the first home crowd, an improved Redskin team downed a fighting South Bend Central Catholic team 13 to 7. Baker recovered a C. C. fumble on their twenty-five. This put in motion a drive, and as a climax Brown scored from the six yard line. He scored again in the fourth quarter. Central Catholic scored in the closing seconds of the game. Robinson and Baker played "heads-up" on defense.

Eagles Too Much For Redskins

Scoring in all but the second quarter, the John Adams Eagles swamped Goshen 20 to 0. Bill Roberts and Joe Howell proved to be too much for the home team. Goshen rallied late in the third quarter, but this proved to be harmless.

Redskins Over Power Red Devils

Goshen completely out-played the visitors from the "Prison City" to win 19 to 6. Brown scored to end a 64 yard drive. "City" scored on a 65 yard pass from Ciolek to Wilson. Then Stan Lewallen chucked a perfect pass into the waiting arms of "Tink" LaRue. The last score came as a result of a blocked punt by Edwards, which was recovered across the goal line by Bob Hay, tackle. The line play was something terrific.

Mishawaka Upset By Redskins

The Redskins played the best game of the season, when they defeated the Cavemen 6 to 0. Brown scored from the one foot line, which climaxed an eighty-three yard march.

This was the first time in the history of "Tupper Field" that a Goshen team had ever defeated a Mishawaka team there.

The line play was sparked by "Heine" Hatten, Carl Rheinheimer and Doug Weaver.

James Phend, Ralph Peterson, Donald Yoder, Burdette Hoke.

The Coaches

Second Team

FRONT ROW (left to right): W. Edwards, W. Reasoner, R. Stemen, L. Baker, G. Vlassis, N. Lewallen, D. Johnson, B. Headley, G. Peffley, P. Warner. BACK ROW: G. Gerber, R. Hartzler, D. Cozzi, D. Naylor, C. Burr.

Roof Caves In On Redskins

"Dick Alban and Company" scored thirty-two points in the first half to wallop Goshen 39 to 0. Steeb and Alban were the "big guns" for the Slicers.

A rejuvenated Redskin team came out in the second half to hold LaPorte to seven points, but the Redskins were still unable to score.

Redskins Halt Cadets

A Howe fumble near the goal line, recovered by Robinson, set up the first Goshen touchdown. On the third play Brown went over from the two yard line. An intercepted pass sent the Redskins on their way for another touchdown. Dave Cozzi carried this one over. The Cadets never threatened during the entire game.

Hartzler and Cozzi, spear-headed the G. H. S. attack, and the final score was, Goshen 12 and Howe 0!

Blazers Defeat Goshen

Goshen and Elkhart fought a scoreless and thrilling first half, but the Blazers scored once in the third and twice in the fourth quarter to beat Goshen 18 to 6.

With eighteen seconds left in the game, Brown scooted around left end, from the eight, to score the only Goshen touchdown.

Reasoner and Headley sparked the defense.

Panther "Powerhouse" Runs Over Goshen

Bobby Robertson and his Washington team mates skinned Goshen to the tune of 52 to 0.

Jack Beachy intercepted a Panther pass and advanced it far into Washington territory. The Panther defense stiffened and Goshen lost the ball on downs. The Redskins fought until the final gun.

This was the last game for the following seniors. LaRue, Robinson, Edwards, Headley, Reasoner, Vlassis, Lantz, Rheinheimer, Baker, Capt. Weaver, Beachy, Hartzler, Cozzi, and Stotts.

Jim Cotherman, Senior Manager, also served for the last time.

Basketball 1947-48

A Bad Start

The Goshen Redskins dropped a thriller to the Bristol Pirates 28 to 27 in an overtime. Goshen played ragged brand of ball as football was only completed just two weeks before. Robinson and Fult being the only returned veterans paced the Redskins while Carmein was high for the Pirates.

Goshen Nips Warsaw

With another week of practice under their belts the Redskins showed much improvement in the defeat of the Tigers with a score of 42 to 41. Jack Fult was high with 17 points, while teammate Robinson followed with 13 points.

Goshen Skins Cubs

Goshen traveled to New Paris to drop one of the stronger teams of the county 43 to 34. This score resulted from the much improved ball-handling and smooth playing of the teams. Again Goshen was paced with veteran Fult, who tallied 15 points. Branson and Strycker had 13 and 11 respectively.

Goshen Wins Third Straight

For the third consecutive week Goshen has been on the long end of the score. This time Nappanee was the Redskins' victim, falling by a score of 38 to 32. Fult again led both teams in scoring with a high of 22 points.

Goshen "Trounces" Middies

After a slow start, the Redskins beat Middlebury 42-29. With the halftime score at 17-10, the Redskins scored 25 points in the last two periods. Fult, Robinson, and Branson paced the attack.

Riley Cats Win

Wayne Wakefield's Riley Cats poured 54 points through the hoop to win over Goshen by the score of 54-31. In the fourth period alone, Riley made 15 points. The base of the Riley attack was composed of Overhoster and Stout.

Coach Paul Underwood

FIRST ROW (left to right): P. Grush, G. Gerber, B. Burt, D. Oswald, P. Chrisman, B. Swihart, H. Tilley. SECOND ROW: D. Johnson, J. Davenport, R. Ronk, C. Hoogenboom, C. Shaum, J. Rankin, Coach Sovine.

The "B" Team

Indians Scalp Redskins

The Wakarusa team won a 43-28 point victory over Goshen. There was too much Bemiller and Moyer in the Indians attack. They scored 36 of their team's 43 points while teammate Rohrer made the other seven. Yoder, Branson, and LaRue made 9, 8 and 9 points respectively.

John Adams Trips Goshen

The Redskins, playing in their first conference tilt, were defeated by the Adams' Eagles, 42 to 39. The Redskins fought gamely but were unable to make up the half time advantage 22 to 14. The Truex twins from South Bend starred with 30 points between them while Fult, Strycker, and Robinson paced the Redskins attack with 15, 10, and 10, respectively.

Elkhart "Jinx" Continues

Elkhart's Blue Blazers whipped the Redskins for the 13th straight time. The score, being 23 to 18 at the half in favor of the Blazers, wound up at the end of the game, 46 to 28. Lambden, Longfellow, and McCloughen had 14, 13, and 11, points respectively. Goshen again was paced by Fult with 11 points and Robinson with 8 points. This was another conference battle.

Cavemen Triumph Over Goshen

Losing their second straight conference game, the Redskins were overpowered by a strong Mishawaka five, 56 to 45. Since the Cavemen were able to hit from all spots on the floor, the scoring mounted fast in their favor. Vernasco with 15 points and teammate Nichols with 13, paced the winners.

Redskins Blast Minute Men

Getting back on the road to victory, Goshen beat Concord 45 to 36. The Concord Minute Men were outfought the whole game by a fighting Redskin five. The scoring was divided equally for the Redskins with Fult on top with 16 points.

Holiday Tourney

Goshen lost to the Rochester Zebras in the afternoon session, the score being 41 to 38. The Goshen team lead most of the way but were nosed out in the final seconds by the Zebras.

In the evening games Goshen met Valparaiso and beat them 36 to 28. The Redskins outfought the Crusaders the entire game. The Redskins were represented on all the tourney teams by Jack Fult, Stan Strycker, and Paul Branson. Fult led all the players in the scoring, with 28 points for two games. LaPorte came out on top in the finals by downing Rochester.

Coach Tom Sovine

The Frosh Team

FIRST ROW (left to right): C. Weiderman, E. Fry, D. Marcus. SECOND ROW: L. Rarick, D. Newell, S. Schnell, B. Lantz, E. Yoder. THIRD ROW: V. Peffley, Manager, D. Rassi, H. Pletcher, L. Riley, J. Hoke, D. Jessup, R. Weaver, Coach Hoke.

"Big Red" Stops Redskins

Goshen dropped its third conference victory to a tall Fort Wayne team 43 to 30. The Redskins were on the heels of North Side through the first three-quarters but gradually fell out of reaching distance. Their tall rangy center hit for 14 points, but was nosed out, for scoring honors, by Fult who had 15 points.

LaPorte Triumphs

A powerful LaPorte Slicers' outfit tumbled the Redskins to defeat by a score of 47-36. Although the Redskins played hard throughout the entire game, the Slicers' Baumgartner and Baker were too much for them. They scored 11 and 13 points respectively while Jack Fult led the Redskins with 15 points.

Central Bears "Tough"

The Bears hit an amazing 45 per cent of their shots from the field to humble the Redskins 69-36. Goshen rallied in the second quarter but to no avail. Bond, Morrical, Davis, and Santa were the sharpshooters for the Bears. Each made over 10 points. Strycker and Fult led Goshen in their scoring attack.

Bulldogs Whip Redskins

The Nappanee Bulldogs proved to be just too much for the Redskins; and when the final gun sounded, the Redskins were on the short end of a 40-30 score. Anglin and Hershberger teamed up together to score 27 of their team's 40 points.

Washington Slips By Goshen

The Panthers displayed a well-balanced scoring attack to win over Goshen 34-25. Although the Panthers led the Redskins by only 3 points in the last period, the Goshen lads couldn't catch them. LaRue was tops for Goshen with 8 points.

Blazers' Victorious Again

A fighting Redskin team took the floor against Elkhart, but the Blazers were on the long end of the 38-24 score. At halftime Elkhart led Goshen by one point. Lambden totaled 24 points in the game and became red hot for the Blazers in the third and fourth quarters; 19 of his points were made in the final two periods. Strycker made 13 points while Lewallen tallied 6.

"City" Conquerors Redskins

The Redskins were nosed out by the Red Devils. The Goshen Redskins fought "tooth and nail" the whole game but lost 42-38. The teams were never over six points from each other from start to finish. Michigan City led by just one point at the half. Two tall boys, Ciolek and Steingbom, tallied 24 of the "Devils" points while Branson, Strycker, and LaRue made 16, 8, and 6, respectively for Goshen. This was the last game of the regular season.

SECTIONAL TOURNEY

Jimtown vs. Goshen

Goshen drew Jimtown for the first game. The Redskins nosed out the Jimmies by the score of 34-32. Playing good ball the entire game, the Redskins finally came out on top. "Frog" Yoder with 13 points led the Redskins to their victory. Lewallen made 6 points. By winning this game, the Redskins gained the honors of meeting Wakarusa the same night.

Redskins vs. Indians

Tired from their afternoon game, the Redskins were dropped from the sectional tourney by the Wakarusa Indians. The score was 39-35. The effect of the afternoon game could be seen on the faces of all the Goshen lads. Moyer and Bemiller led the Indians' attack while Rankin made 9 points for Goshen.

Prospects Look Good!

Coach Tom Sovine's little Palefaces ended the season with 9 wins and 11 losses. Two of these losses came from the Mishawaka tourney for the "B" teams. The squad was composed of Swihart, Tilley, Rankin, Ronk, Hoogenboom, Shaum, Oswald, Gerber, Burt, Grush, Davenport, and Chrisman. Oswald and Rankin led the Palefaces in their scoring attack for the entire season. A few of the boys look like outstanding material for next year's varsity. Coach Sovine's boys met some unusually tall second teams this year, and Michigan City was no exception.

The Girls' Athletic Association

One of the most entertaining and beneficial organizations in G. H. S. is the Girls' Athletic Association. Often referred to as the "G. A. A.", its purpose is to promote better sportsmanship and to interest girls in various sports.

The activities of the group are many. An initiation service was held in December for girls who had met the requirements for new members. During the year the club instigated a noon time program whereby girls could participate in basketball, volley ball, and softball tournaments. This provided a form of recreation for G. A. A. members as well as other girls interested in athletics.

Several parties were enjoyed by the membership and their guests. These included several swimming parties, a dance, and a "hobo" party.

At the end of the year a banquet was held to honor the senior members and to welcome the newly-elected officers for the ensuing year.

The Goshen Relays

One of the state's largest track meets, the 1947 Goshen Relays, was held on April 19, 1947. There were 16 class "A" schools with 403 boys entered while 27 class "B" schools had 442 boys participating. Gary (Roosevelt) walked off with the class "A" honors while Muncie (Burris) copped the class "B". Trophies were presented to Don Leek of Gary (Roosevelt) and Winnick of Muncie (Burris) for being the top individual performers. Trophies and medals were also given to all the winners of all events and the winning teams of the meet.

Goshen was well represented in the meet. Jerry Rarick won the mile and set a new relay record in winning this event. Wayne VanderRyden placed third in pole vaulting, while three of the Goshen Relay teams placed second, second and fourth. In the sprint relay, Brown, Fult, Newell, and Weaver, wound up second. The Medley Relay team, composed of Rarick, Rockenbaugh, Fields, and Newell, also took second. Rankin, E. Sullivan, J. Cripe, and G. Peffley, who ran in the mile relay, placed fourth.

Due to unfavorable weather conditions many of the spectators were absent from the meet. It poured down a cold rain during the entire meet.

We, of Goshen High School, wish to thank the Elks for their cooperation in making the meet possible and a huge success.

The Male

According to biologists and other students of the human species, there are two sexes. This learned group of people goes still further and says these sexes are male and female, the latter group being credited as the more intelligent of the two.

Let us go more fully into the subject of the male. Much has been written on the "Bobby-soxer", but the "Goon" — oops, I mean the male has been sadly neglected.

The ego of this specimen is astounding, but his true knowledge is small. In order to keep this lack concealed at all times, he bluffs; and needless to say, at all times, he is caught. When asked a question in class, he mutters "That wasn't in our book, was it?" After the inevitable "Certainly," he searches for some reply; and at last he emerges from the depths of his — shall we be bold and call it "mind" for lack of a better term — with "My book's prob'ly different from you guys." This strikes him as being one of the best comebacks of his school career, and for the remainder of the period at odd intervals he disrupts the class with throaty chuckles.

At any social gathering he is much in evidence as the hostess's delight. He moves aimlessly about, now and then knocking over a chair or vase. He has no preference, either will do. This naturally puts more life into the party — into the hostess, too. As she, with a tight, strained smile on her lips, follows him, righting chairs and picking up the remnants of a once beautiful vase, she vows never again to include "Wonder Boy" in any future plans.

As the evening wears on, some talented person steps up to the piano and plays Beethoven's *Fifth Movement* or the *Hungarion Dance, Number Four*. Others follow suit, and our hero, not wishing to be outdone, gives forth a most unusual rendition of *Old Dog Tray*. Any resemblance to the original composition is purely accidental. Upon hearing this novel number, Stephen Foster moans and turns over in his grave.

But let us not suppose "Wonder Boy" to be entirely stupid. As a matter of fact he is quite efficient with a yo yo and many other mechanical devices.

All joking aside, what would we do without him?

—Barbara Riffe.

Ma's Sick

Since Ma's tonsils have been out for over a week,
My dish pan hands are beginning to speak.
The dishes I wash as clean as I can,
But my brother just tosses them back in the pan.

Now the cooking is another thing,
With the hamburgers now reigning supreme.
They've been creamed and roasted, barbecued and fried,
And in our dreams 'til we almost died.

Naturally there's the cleaning, but, oh, what a mess!
And the dusting gets more instead of less.
For sweeping, I do that in rows,
And pretend that I'm fighting Patton's foes.

Now the week is drawing to a close,
But not one of my efforts even shows.
And now with my heart, I hope and pray
That Ma's tonsils are out to stay.

—Don Fiedeke.

11:37 — W. O'Neil, A. Bower, M. A. Kauffman, and S. Ganger plot how they can be first in cafeteria line.

11:38 — S. Escott, J. Huffman, and P. Scheiber recite poetry and disrupt the study hall.

11:39 — Students shift in their seats — Students rise from their seats.

11:40 — The bell rings — 115 people dash madly for the door which is 2 feet wide and the teacher is trampled. OH, Well ! ! !

The Senior Class Play

This year the seniors gave the three act comedy, "Tish", an adaptation of one of Mary Roberts Rinehart's widely heralded stories, and one of the most entertaining productions ever presented in the Goshen High School auditorium.

A student matinee of the hilarious play was rendered on March 11th, and on the evening of March 12th, a public showing was given before a capacity crowd. Both performances were rated as true successes and kept the audiences "rolling in laughter" for two and one-half hours.

The scene for the entire play of "Tish" is a hotel in Southwestern United States near the Mexican Border. Letitia Carberry (Tish) a middle-aged, blunt, outspoken, but entirely lovable spinster who is vacationing there together with her two boon companions, Lizzie and Aggie, race through the modern story with rapid pace, getting themselves into and out of more jams than you can shake a stick at.

"Tish", under the direction of Miss Barbra Zook, was the Class of '48's one and only class play during their high school career.

The cast of characters, all of whom turned in remarkable performances, was:

Tish Carberry	Phyllis Rockenbaugh
Aggie	Eleanor Long
Lizzie	Fran Kidney
Ellen Leighton	Carol Kaser
Charlie Sands	Don Fiedeke
Luther Hopkins	Doug Weaver
Sheriff Lem Pike	Jim Cotherman
Callie Hopkins	Barbara Riffe
Denby Grimes	Jim Drummond
Dorice Gaylord	Joan Huffman
Bettina Trent	Nona Mae Grush
Wesley Andrews	Bob Chiddister
Charita	Kate Ogle

—Martha Kercher.

"The Fighting Littles"

Class of 1949

December 10th & 11th 1947

The Junior Class Play

On December 11, 1947, "The Fighting Littles", a three act play by Caroline Francke, was presented by the junior class under the direction of Miss Barbra Zook.

The play depicts the Littles, a family with opinions of their own. Every family in the world suffers from the misunderstandings of two generations, but not many of them are as explosive about their conflictions as the Littles. Each Little has his own idea of the way life should be lived; and all of them say so, except Mother Little who is too busy trying to keep peace. The fireworks really begin when Daddy Little finds all his daughter's friends "young hoodlums" and Ham Ellers the "worst young hoodlum of the lot." Mr. Little thinks young love should begin at a Sunday School picnic as it did in his day. He has his own candidate for his daughter's affections, Norman. By a series of painful surprises Mr. Little discovers that "young hoodlums" can be quite solid people after all. Then there is Filmer. Filmer can't keep out of trouble. Filmer has a deep inner urge to be a hero, or a villain, anything but commonplace; and Filmer has his own trouble with love, quite as desperate to him as Goody's is to her. The quick-tempered Littles squabble their way through differences in viewpoint and ridiculous situations without knowing how funny they are. Only when the battle royal is over do they discover that they have learned to understand each other and are really a united family; and Mr. Little finds that young folk aren't going to the dogs after all.

Courage "?"

There's a fad going 'round
The whole country, we guess
And the crazy thing calls for
A long-skirted dress.
Very few inches
From floor to the hem
And if this keeps up
There'll soon be none of them!
Girls don't trip gaily
Down halls anymore
They walk very slowly —
Or land on the floor.
Student Council's not bothered
By their running to lunch
'Cause the long-skirted femmes
Always follow the bunch.
And teachers — take note
All the girls will assert
That for lateness to class
Don't blame them — blame the skirt!
So here's to the boys
Who never will see
Those cute little legs
From ankle to knee.
And here's to the girls
Who follow the fad.
They've got lots more courage
Then we thought they had!

The Rossville Lectur' Course

by

James Whitcomb Riley

Folks up here at Rossville got up a Lectur' Course; —
All the leadin' citizens they wuz out in force;
Met and talked at Williamses', and 'greed to meet ag'in;
And helt another corkus when the next reports wuz in:
Met ag'in at Samuelses'; and met ag'in at Moore's
And Johnts putt the shutters up and jest barr'd the doors! —
And yit, I'll jest be dagg-gon'd! eft didn't take a week
'Fore we'd settled whare to write to git a man to speak!

Found out whare the *"Bureau"* wuz; and then and thare agreed
To strike whilse the iron's hot and foller up the lead. —
Simp wuz Secatary; so he tuk his pen in hand,
And ast 'em what they'd tax usfer the one on "Holy Land" —
"One of Colonel J. DeKoomb's Abelust and Best
Lectur's," the circ'lar stated, "Give East or West!"
Wanted fifty dollars and his kyar-fare to and from,
And Simp wuz hence instructed fer to write him not to come.

Then we talked and jawled around another week er so,
And write the *"Bureau"* bout the town a-bein' sorto' slow —
Old-fogey-like, and pore as dirt, and lackin' interprise,
And ignornter'n any other, 'cordin' to its size;
Tel finully the *"Bureau"* said they'd send a cheaper man
Fer forty dollars, who would give "A Talk About Japan" —
"A reg'lar Japanee hise'f," the pamphlet claimed; and so,
Nobody knowed his languige, and of course we let him go!

Kindo' then let up a spell — but rallied onc't ag'in,
And write to price a feller on what's called the "violin" —
A Swede, er Pole, er somepin' — but no matter what he wuz,
Doc Cooper said he'd heerd him, and he wuzn't wuth a kuss!
And then we ast fer *Swingse's* terms; and *Cook,* and *Ingersoll* —
And blame! ef forty dollars looked like anything at all!
And then *Burdette,* we tried fer him; and Bob he writ to say
He wuz busy writin' ortographts and couldn't git away.

At last — along in Aprile — we signed to take this-here
Bill Nye of Californy, 'at wuz posted to appear
"The Comicalest Funny Man at Ever Jammed a Hall!"
So we made big preperations, and swep' out the church and all!
And night he wuz to lectur', and the neighbors all wuz thare,
And strangers packed along the aisles 'at come from ev'rywhare,
Committee got a telegraph the preacher read 'at run —
"Got off at Rossville, *Indiany,* 'stid of Michigun."

Finis

Now our high school career comes to an end. This career covered four important years of progressive educational development, the development of wisdom that enables us to direct our feudin' and fightin' into constructive channels.

We have learned the value of feudin' — the kind of feudin' that emphasizes the importance of cooperation and individual self-reliance.

We have learned the value of fightin' — fightin' for the team and the school — the kind of fightin' that develops the spirit of true citizenship.

These things we have learned through the sympathetic guidance of an understanding faculty. We take our leave to enter an uneasy world with confidence and pride — confidence in what we have learned, and pride in Goshen High School.
